

Human Resources

Looking for a rewarding career in public service? The Westchester County Department of Human Resources administers civil service examinations for jobs at the County of Westchester, its local jurisdictions, and Westchester Medical Center. You can find out about our current job openings, and jobs in demand for which there is an urgent need to fill. As part of our commitment to helping Westchester County residents find the right job, we provide a list of on-line job search resources.

If you are already a County employee or are interested in becoming one, you can get valuable information about benefits, including education, retirement, the Westchester County Telework program, and employee discounts.

The Westchester County Department of Human Resources administers civil service for 121 local jurisdictions, including cities, towns, villages, school districts and libraries. For your convenience, we have provided a list of these local agencies with links to their web sites, and job descriptions for positions in the local civil divisions.
